

Dear Parents,

We would like to start by saying thank you very much for your kind words and generous gifts - they are very much appreciated. We hope that you all had a merry and restful Christmas.

As always, we have a busy term ahead of us. Our new topic is 'Frozen Kingdoms'. This project teaches children about the characteristics and features of polar regions, including the North and South Poles, and includes a detailed exploration of the environmental factors that shape and influence them.

This term, the children will be allocated CPG revision books they will be expected to complete each week. I will set pages for the children and we will mark it together. Alongside this, to earn additional points, the children can complete #mylearning tasks found on the website. Please encourage your children to complete their homework each week.

The main days for Year 6 P.E continue to be on Mondays and Fridays, and a full kit is expected on both of those days. Due to the weather this term, this will need to include a black tracksuit.

Finally, if you have any questions or concerns, please come and see us at the end of the day, leave a message with the office or send me an email at admin@bentley-st-pauls.essex.sch.uk

Many thanks,
The Class 6 Team
Miss Bowley, Mrs Okunola and Mrs Griffin
