People say that The Queen has a big elephant in her garden. The elephant sleeps in the shed and eats cream buns. She has never been seen outside of the garden but lots of people think that it is true.

I think that The Queen likes to ride her elephant at night.

One day, the elephant broke a statue of The King and ate all of the cakes that the cook had made. "That elephant must go!" said The King.

I think that she is still there!
