

Alexander's Adventure

- 8 Alexander looked around. All he could see for
18 at least a mile was mist, fog and the trunks
26 of strong, colossal trees in the dark forest.
- 35 Which way was home? Which way was back to
43 the sinister cave that he had just left?
- 51 Alexander was glad that he had been tracking
61 his path with red string. At least he could see
73 where he had been so that he did not end up back
80 at the cave of that horrid troll.

Read Together Quick Questions

1. Where had Alexander just been?

Answers

1. Where had Alexander just been?
Alexander had just been at the sinister cave.

2. ...**the trunks of strong, colossal trees...**
What do you think the word colossal means?
Tick one.
- big**
- green
- hot

3. How do you think that Alexander feels in this story? Why?
Pupils' own responses, such as: I think that Alexander feels confused because the mist and fog are making it too hard to see which way he should go.

4. What do you think that Alexander will do next?
Pupils' own responses, such as: I think that Alexander will keep trying to find his way out of the dark forest by leaving a path of string behind him.
