

Year 6 Summer Newsletter

Dear Parents,

Welcome back to the summer term, the final term for our fantastic Year 6. I hope that you have all had a restful and hopefully an enjoyable Easter and that the children are raring to go.

The beginning of this term will start off following normal timetable schedules but as we get further into term, we will be spending an increasing amount of 'time off' timetable, allowing us to work on an end of year play, church service and leavers' assembly. There are also likely to be representatives from the senior schools speaking to their new intakes and days out 'induction days' for the children to spend some time in their new schools – some dates have been published in our 'Dates for Diaries' on the newsletter.

But, before all that...we have one final driver 'Britain at War'. This driver looks at the causes, events and consequences of the First and Second World Wars, the influence of new inventions on warfare, how life in Great Britain was affected and the legacy of the wars in the post-war period.

Our PE sessions are still on Monday and Friday afternoons.

#mylearning will continue this term and there are lots of fun activities for the children to do. One of the important transition skills that many of the children need to develop is taking responsibility for their learning and managing their time with regards to homework. Please encourage your child to complete their homework each week.

Many thanks,

Miss Bowley and Mrs Griffin
