

# Bob's Rocket

9 Bob was a little, green man on a brown  
14 planet with a red moon.  
25 Bob had a wish to go to the red moon but  
34 all he had was a little plastic rocket. Bob  
43 was sad when his wish did not happen. He  
52 felt cross and put his plastic rocket into the  
53 dust!  
61 Then, the dust began to glitter in the  
68 moonlight. Was this a trick? The plastic  
77 rocket began to stretch until it was a big  
78 rocket!  
88 Bob crept in and sat at a panel full of  
96 buttons. A red button said 'Start'. Bob hit  
103 it and...10, 9, 8, 7, 6...
