

Could I Be a Superhero?

5 Could I be a superhero?
12 Could I run and jump and fly?
17 Use supersonic boots with wings
23 to power me to the sky!

28 If I WAS a superhero
34 "Watch out!" I'd hear people say.
40 "That's Super Sal the high-speed girl
47 you must not get in her way!"

53 "She's righting wrong and fighting crime.
59 She's out making bad things right.
65 It's hard work catching those villains.
71 Sometimes she must work all night!"

77 So, if I WAS a superhero
84 villains would need to watch their backs
90 as my lightning speed and power
96 would stop them in their tracks!

Questions

1. Find and copy the phrase that is used to describe Super Sal.

2. What kind of boots does Super Sal use? Tick one.

- supersonic boots
- high-speed boots
- lightning speed boots

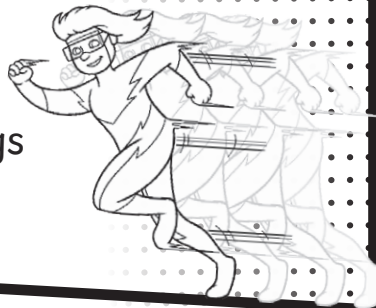

3. What is the second question asked in the poem? Write the question.

4. If you could be a superhero, what superpower would you like to have? Explain your answer.

Could I Be a Superhero?

Answers

1. Find and copy the phrase that is used to describe Super Sal.

the high-speed girl

2. What kind of boots does Super Sal use?
Tick one.

- supersonic boots**
 high-speed boots
 lightning speed boots

3. What is the second question asked in the poem? Write the question.

Could I run and jump and fly?

4. If you could be a superhero, what superpower would you like to have?
Explain your answer.

Pupils' own responses, such as: If I could be a superhero, I would like to be able to turn invisible then villains wouldn't be able to see me. If I could be a superhero, I would like to have x-ray vision then villains wouldn't be able to hide from me.
