

Rabbit Facts

9 There are different kinds of rabbits that people can
20 keep as pets. Some are big and some are small. Some
28 rabbits' ears stand up and some are floppy.

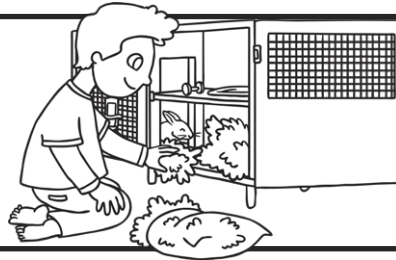

39 Rabbits live in groups in the wild so a pet rabbit
49 needs a companion. They do not like to live alone.

50 Diet

59 Rabbits are herbivores. Wild rabbits like to eat grass
67 and other plants. Pet rabbits also eat hay.

70 Did You Know...?

74 Hay is dried grass.

75 Teeth

84 A rabbit's teeth never stop growing. Their teeth are
95 worn down on the foods they eat, such as grass and
106 hay. It is important that pet rabbits eat these foods to
115 keep their teeth healthy. Rabbits could end up having
124 overgrown teeth if they don't eat the right foods.
