

#MYLEARNING

Homework

Each week you must:
Read everyday
Practise your Times Tables
Complete English work
Complete Maths work

All English and Maths must be completed to unlock the points for the badge (30 points from #ML equals a badge)

To earn a badge you will need to do a few more tasks...

Choose any of the following tasks, the more you do the more points you earn and the more chance you have of earning a badge.

Mountain Sketch:

Draw or paint a famous mountain peak and label three key features.

2 points

Postcard Home:

Write a postcard from the perspective of an explorer climbing a famous mountain.

2 points

Flag Finder: Research and draw the flags of three countries that have major mountain ranges running through them.

3 points

River Fact File:

Choose a major world river (like the Amazon or the Nile) and create a one-page fact file covering its length, location, and wildlife.

3 points

Local Water Journey:

Find out where your closest river or stream is, where it starts, and where it eventually flows out to sea. Make a Presentation about that river.

5 points

Mountain Survival Guide:

Design a booklet outlining what gear, food, and safety steps an explorer needs to climb a dangerous mountain.

5 points

3D Mountain Model:

Build a 3D model of a mountain using recycled materials, papier-mâché, or playdough.
Or
Create a large 3D model of a river system that clearly labels the upper, middle, and lower courses, including features like meanders and waterfalls.

10 points

Weather & Climate Report:

Record a video or write an in-depth report explaining why mountain weather is so different from weather at sea level.

10 points
