

Just One Little Seed

- 8 One little seed is all that you need
15 if you plan to plant a tree.
26 Just dig a deep trench near a pond or a bench
34 and hunt for a seed that is free.
46 You can look on the grass or ask a pal from class
53 to keep a pit or a pip.
64 Pop it in the soil so that it will not spoil
70 and shower it with a drip.

Questions

1. Find and copy one word that describes the trench.

2. What **two** things can you do to find a free seed?

- _____
- _____

3. How might you feel if you manage to find a free seed?

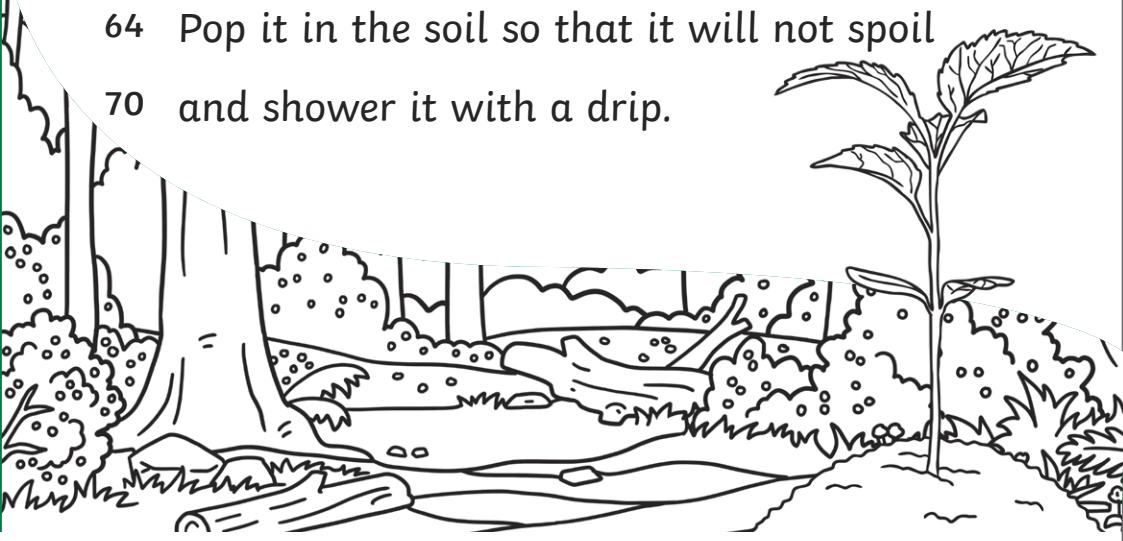

4. What do you think the next verse of this poem would be about?

Just One Little Seed

8 One little seed is all that you need
15 if you plan to plant a tree.
