

One Little Spark

- 3 One little spark
8 sets off a powder blast
13 that zooms into the air
18 and travels far and fast.
- 21 One little spark
26 burns down a sparkler's stick
29 until it disappears
33 like an enchanted trick.
- 36 One little spark
42 can burst in green and pink
47 and rain like little stars.
53 You'll miss it if you blink!

Read Together Quick Questions

1. Find and copy one word that can mean the same as 'magical'.

2. What does the poet compare the firework's rain to? Tick one.

- ☐ one little spark
☐ little stars
☐ an enchanted trick

3. Do you think the explosion lasts a long time? How do you know?

4. What might the next verse of this poem have been about if the poet had continued writing?
