

Year 3 Maths Activity Mat

2

Section 1

Recombine these digits together to find what they make:

200 20 4

Section 2

$$400 + 80 + \boxed{} = 482$$

Section 3

Complete the calculation:

$$82 + 14 = \boxed{}$$

Section 4

Match up the 3D shapes to their names:

cuboid

cone

Section 6

Bags of crisps cost 35p each. How much for two bags?

Section 7

Convert these kilograms to grams.

$$\frac{1}{2} \text{ kg} = \boxed{}$$

$$2 \text{ kg} = \boxed{}$$

Section 8

Use the written formal method to answer:

$$22 \times 3 = \boxed{}$$

Section 5

$$11 \times 2 = \boxed{}$$

$$10 \times 3 = \boxed{}$$

$$5 \times 5 = \boxed{}$$

Year 3 Maths Activity Mat: 2

Answers

Section 1

Recombine these digits together to find what they make:

200 20 4

224

Section 2

$$400 + 80 + \boxed{2} = 482$$

Section 3

Complete the calculation:

$$82 + 14 = \boxed{96}$$

Section 4

Match up the 3D shapes to their names:

Section 6

Bags of crisps cost 35p each. How much for two bags?

70p

Section 7

Convert these kilograms to grams.

$$\frac{1}{2} \text{ kg} = \boxed{500\text{g}}$$

$$2 \text{ kg} = \boxed{2000\text{g}}$$

Section 5

$$11 \times 2 = \boxed{22}$$

$$10 \times 3 = \boxed{30}$$

$$5 \times 5 = \boxed{25}$$

Section 8

Use the written formal method to answer:

$$22 \times 3 = \boxed{66}$$
